

Faster, stronger, heavier & first of all, safer!

- 1 Trailer brake valve
- 2 Air tank
- 3 3/2-Way valve

- 4 Load sensing valve
- 5 Emergency coupling with integrated filter
- 6 Service coupling with integrated filter

- 7 Double diaphragm spring brake cylinder
- 8 Diaphragm brake cylinder
- 9 Double check valve

- 1 Air compressor
- 2 Air dryer with pressure regulation
- 3 Pressure gauge
- 4 Brake pedal main brake cylinder
- 5 Air tank

- 6 Trailer control valve S-TCV
- 7 Breakaway valve ELR
- 8 Emergency coupling
- 9 Service coupling
